To whom it concerns,

I am honored to write Alejandro Alonso a letter of recommendation. I have known Alejandro for the past four years. During that time, he has represented himself very well.

As his Agriculture Teacher, Soccer Coach, and Football Coach - I know he will excel in any field or major he chooses to pursue. Alejandro has been part of continuing the legacy of our FFA program here at the school. With FFA, Alejandro became Secretary of this Organization for two year and continued making the program one of the best clubs at the school through student engagement and making connections within the community. He did this while still continuing find time to excel in soccer and football as well as work. He has helped provide services for the community members from Storm clean-ups, helping at the Gadsden Historic Garden Center, and out reach programs.

During his time at Gadsden County High School, Alejandro has taking his work and education very seriously. He has passed the Agricultural certification: Associates of Agriculture and the Agritechnology Specialist certification as keeping up his GPA.

Alejandro has also Dual Enrolled at a local Community College where he has done well with all that is on his plate. I feel confident in saying that he is capable of handling any situation with thoughtfulness and maturity and will greatly appreciate your help in furthering his goals. I know he is a hard-working, driven, and determined individual that will succeed if given the opportunity. I see this in everything he does, from taking initiative to guided others. I wholeheartedly recommend Alejandro Alonso.

Feel free to contact me at [toussainte@gcpsmail.com](mailto:toussainte@gcpsmail.com) if you have any further questions I can answer.

Thanks,

Eric Toussaint
