

To Whom It May Concern;

I am writing this letter on behalf of Andres Ortiz.

My name is David Gonzales. I am the pastor of First Baptist Church of Douglas, Arizona. I have been a pastor for 11 years. I have known Mr. Ortiz for approximately seven years. I have, essentially, watched Mr. Ortiz grow into the young man he is today.

He has always shown himself to be trustworthy, a hard worker, and confident in himself. This confidence comes from his faith. He has always been one to express his faith without timidity. It is apparent that Mr. Ortiz understands that his identity is in his Savior alone.

I have had the privilege of being one of his Bible teachers, and I have witnessed his growth. He has a genuine love for the Lord and His word.

This school year, Mr. Ortiz, along with some of his other classmates, revived the Bible Club at Douglas High School. A program that had been dormant for about six years. Through the leadership of Mr. Ortiz and his fellow classmates, the club has grown significantly. It has been a truly inspiring thing to watch.

I understand that Mr. Ortiz is applying for a scholarship through your program, and I believe that he will steward this opportunity well. In our discussions, I know that his desire is to walk in the will of God, and to glorify Him in all that he does. This would be a tremendous help to Mr. Ortiz as he pursues his higher education.

Please consider Mr. Ortiz in your selection of scholarship recipients. It would truly be a blessing towards his future.

Kind regards,

Pastor David Gonzales
