Kerry Damiano/Oasis Scholarship
Recommendation Letter

To Whom It May Concern,

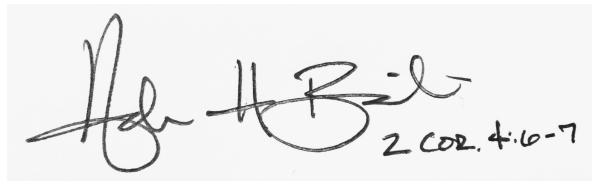

I am grateful to be asked to recommend Bennett Juve for your consideration as a worthy recipient of the Kerry Damiano/Oasis Scholarship. I have been a close family friend and pastor to the Juve family, since 2013.

Because of the years seeing Bennett develop from a young boy into the young man he is today, and more importantly, because of seeing Bennett continue to trust God and seek to follow Christ through significant and prolonged challenging seasons in his life, I am whole-heartedly recommending him to you.

Bennett has been given significant athletic abilities, has worked very hard to discipline his life for its maximum impact, and has persevered through personal, athletic, relational, and academic challenges to step into his college years full of faith in God's purposes and plans for his life.

Bennet is a driven young man, who takes responsibility for his choices and actions, and is marked by a quiet spirit and humility that endears him to both his peers and the leaders in his life. I recommend him without reservation to you, and I hope you will entrust these scholarship resources for his benefit, as I am confident he will utilize his life for Christ in the college years.

Sincerely yours,

Adam Bailie
