Absolutely amazing, couldn't recommend her enough!

Written on Jul 22, 2025 after therapy with Amanda for 2 weeks on issues concerning stress, anxiety, eating disorders, and self esteem

“ Dr. Robinson is wonderful. She completely understands our needs and supports both of us in the ways that we need as individuals. She is amazing, and she has helped us so much already (after a few sessions). She has also been great about responding to messages and even quickly worked in another session when we needed it. I am so very grateful for the help and support she has given us. I feel that my husband and I are now on a

Not only is Amanda the most kind and caring person, she's the most thoughtful, observant, and calming therapist. Amanda helps me sort out my feelings, and I always feel better after speaking with her. I'm so grateful for Amanda!
