

Dear Hulude Collegiate Golf Scholarship board,

Alessia Rojas is a quality representative of this scholarship award. She embodies what a genuine human being is all about. She's a thoughtful individual who knows how to gather others around her for constant improvement. Alessia cares about relationship building and knows how to take the time to get to know someone and where they come from. She has an infectious energy about her, which brightens people's attitude on a day-to-day basis.

Alessia is a disciplined person in everything that she does, her constant drive for success is what makes her stand out in the crowd. Alessia was not only a leader on the golf team in her senior year of playing, but she was also the SAAC "Student-Athlete Advisory Committee" President for Texas A&M University-Kingsville. In the year that I have known her, she has taken the initiative to help others grow and develop in several ways. Whether leading by example or by having a conversation with others. She cares about people and is on task to get her job done in the most efficient way.

Alessia has a joyful attitude that is contagious to everybody she meets. Her personality and genuine authenticity make her a person that anyone is proud to have represent them in anyway. On the golf course Alessia holds her own very well and when it comes to being an outstanding teammate, she took on the senior leadership role head on by listening and giving advice along with knowledge to her underclassman teammates when they had an issue with anything. She was the heart of this program as a person and a player.

Lastly, Alessia is a person who has great gratitude to anything that comes her way. She has understood that to have successful moments in life you must have grace to the opportunities that come your way. She has a fantastic head on her shoulders and is driven to the next challenge that is ahead of her in life.

Thank you for considering Alessia Rojas for this distinguished honor. If you require any further information or have any questions, please do not hesitate to contact me.

Warm regards,

Troy Lopez
