ACADEMICS. FAITH. FAMILY.

2025-2026 School Year

To Whom It May Concern,

My name is Kenneth Farr, and I have had the absolute pleasure of serving as Elias Whitemon's Principal since 2023. Elias is an exceptional student who consistently demonstrates discipline, focus, and intellectual maturity. He currently holds an exact 4.0 GPA across grades 10–12, with a 3.94 cumulative GPA over all four years of high school. His academic success reflects sustained effort, strong time management, and a deep commitment to continuous excellence. Elias understands the demands of rigorous coursework and meets them with confidence and consistency, all while balancing significant commitments outside of the classroom.

Elias is a respected and authentic leader within our school community. As a dedicated member of both Cross Country and Track, he models teamwork, perseverance, and accountability, earning the trust of peers and coaches alike. One experience that particularly highlights his character was his participation in the school's annual HBCU Tour during his junior year. Elias attended the trip with his peers, and his older brother and father served as chaperones. Spending that time with Elias' immediate family members really exemplified how much they have taught him and how they have led to his maturity, strong faith, and leadership skills.

Elias's greatest strength is his genuine sense of self. He is deeply mature and remarkably responsible for his age, a true gift that sets him apart from so many others. Throughout everything he does, he remains rooted in gratitude, faith, and an awareness of his blessings. Elias's strongest trait is that, in everything he does, he consistently carries himself with integrity.

I highly recommend Elias for the scholarship opportunity he is pursuing with you, and invite you to contact me without hesitation.

Blessings,

Kenneth Farr II
