**Recommendation Letter for Joycelyn Davis, MA-C
Pangeta & Ivory Nursing Scholarship**

December 5, 2025

To the Scholarship Committee,

It is a true honor to recommend Joycelyn Davis, MA-C, for the Pangeta & Ivory Nursing” Scholarship. Joycelyn is an inspiring example of strength, perseverance, and purpose. She has faced life’s challenges with grace and resilience, never allowing setbacks to deter her from pursuing her dreams.

A devoted wife and mother of two sons—both currently in college—Joycelyn put her own ambitions on hold for years to prioritize her family. Despite the personal sacrifices she’s made, her commitment to growth and service has never wavered.

Joycelyn has served as a Medical Assistant Coordinator at Emory Healthcare for several years. I’ve had the privilege of supervising her and can confidently say she is one of the most dedicated and hardworking professionals I’ve encountered. She consistently goes above and beyond in her duties, providing compassionate, high-quality care to every patient she meets. Joycelyn is proactive, reliable, and always the first to step up when there’s a need on our team.

What makes Joycelyn’s journey even more inspiring is that she is now pursuing her long-held dream of becoming a registered nurse. She is currently enrolled in nursing school, where she maintains an impressive 4.0 GPA—all while continuing to work full-time. Her determination, work ethic, and unwavering commitment to healthcare make her an exceptional candidate for this scholarship.

Joycelyn embodies the values that the “Pangeta & Ivory Nursing” Scholarship represents. She is a role model to her peers, her children, and the community. I wholeheartedly support her application and believe she will continue to make a meaningful impact in the lives of others as she advances in her nursing career.

Sincerely,

Tracy E. Powell
