To whom it may concern,

I am writing this letter to recommend Kyleigh Lock for this scholarship. I have had the pleasure to work with Kyleigh this past year, coupled with the past few years of watching her grow into the strong woman she is today. I have no doubt in my mind that if chosen, Kyleigh will execute all of the qualities needed to represent your organization with her vast knowledge and leadership qualities.

Kyleigh is an active member of the Mount Enterprise FFA chapter. She has served as an officer at the Discovery, Greenhand, Chapter and District levels, and she currently holds the position of Vice President on the Area VI Officer Team, where she has been able to grow her leadership style and rise to the plate when needed. Her passion for everything she is involved in is like no other I have ever seen. She truly is my definition of hard work and dedication.

Kyleigh also participates in raising/showing breeding cattle, breeding ewes, market lambs and poultry. She also serves as an officer in the FCA chapter and is a member of NHS. While Kyleigh is immersed in a lot of activities, she has proven to have impeccable time management and never lets her responsibilities in any one aspect fall below the standard of perfection. As an educator, we all hope to find that one student that goes above and beyond while still showing compassion for others, a drive to better themselves and others, as well as a want and need to be as successful as possible. I had never had a student that possessed all of the qualities until Kyleigh. I can truly say that Kyleigh has taught me valuable lessons and will continue to do so as she follows her path as an agriculturist.

Once again, I highly recommend Kyleigh Lock to receive this scholarship. It will be very difficult to find another student who embraces as many qualities of a leader as Kyleigh. If you have any questions, it would be my honor to speak with you on behalf of Kyleigh.

With gratitude,

*Logan Ross*
