May 25th, 2026

To the Bio-Rad Scholarship committee,

I am writing to strongly recommend Khanh Do for the 2026 Bio-Rad Scholarship Program. As Mr. Do's Biomedical Sciences teacher for the past two years at Mission Valley ROP, I have had the privilege of watching him grow into a mature, respectful and hardworking individual.

Throughout these years, Khanh has consistently maintained strong grades and demonstrates genuine curiosity. His thoughtful questions and willingness to absorb new perspectives reflect the kind of learner who will thrive in a college setting. Beyond the classroom, Khanh has distinguished himself through his involvement in volleyball, the school newspaper, and school clubs, all of which reflect his initiative, teamwork, leadership, and commitment to contributing positively to the school community.

Thank you for taking the time to consider his application. I am confident that Khanh is highly deserving of this scholarship and will strive to make a positive impact both academically and within the community.

Please feel free to contact me if you need any additional insight or information. You may reach me at (510) 657-1865 or email me at mfarooq@mvrop.org.

Sincerely,

Masiha Farooq
