New Bethel Church Ministry
18734 Highway 64
Earle, AR 72331

February 2, 2026

To Whom It May Concern:

Kelsey Conley is a strong candidate for this position, any team role or individual accomplishment; she is genuinely committed to achievement and finishing whatever she begins.

Kelsey has been a part of our community since conception, her father is our church pastor, Archie, and his wife, Erica, is his helper in leadership applications of the church ministries: Christian Education, Outreach ministry along with the entire church congregation in whatever we strive to do, Kelsey along with her siblings, and entire family are involved participants throughout her school community.

Our church has supported Kelsey in attending summer enrichment camps throughout her maturing days, KAA Camp, Kids Across America, robotics, DECA (Distributive Education Clubs of America), and entrepreneurial activities. I am unable to list all her attributes, because Kelsey is so involved with different avenues of volunteering, our feeding program on Wednesday nights, through the feeding program she has contributed over 150 hours of support, helping to decorate the church for our Christmas enrichment, along with wrapping gifts for the giveaway, and she has a phenomenal oratorical voice when presenting herself to others that will cause one's ears to stand up.

Kelsey has one of the best family support systems for achieving; her village has made provisions and ensured her security in becoming a versatile individual. One will love her presentation.

This is the candidate you need on the team. She is a senior preparing to take the next step in life after high school.

Thank you for accepting this letter of recommendation for Kelsey, a worthy candidate.

Respectfully,

Claudie M. Forrest
Church Administrator
