To whom it may concern,

It is my privilege to recommend Isabella Flores for the Hulede Collegiate Golf Scholarship. I have known Bella since her freshman year and cannot think of a more deserving recipient. She has not only been a leader on our golf team but also a leader in our school and in our community.

Bella embodies all that a student athlete should be. She represents Kingwood High School, the Kingwood community and her family with the utmost integrity. Her hard work and sacrifice have paid off on the golf course as well as in the classroom. She is our number one player and is at the top of her graduating class. In addition to the time spent at practice and on schoolwork, Bella participates in various charity events throughout the year and still finds the time to help those of her teammates with lesser ability try to better themselves both on and off the golf course.

Occasionally, one runs across a person who is both successful and selfless – Bella is one of those people. She is driven yet understands that not everyone has the ability to achieve at her level. She takes the time to help others become the best version of themselves while excelling herself. She truly embodies what being a teammate and a community member mean. No one is a more deserving recipient of this scholarship than Isabella Flores.

Respectfully,

Susan Willis

Head Girls Golf Coach

Kingwood High School
