

To Whom It May Concern,

I am pleased to recommend Austin DeBolt, who worked in the warehouse at Meier Supply over the summer. Meier Supply is a leading distributor of heating, air conditioning, and refrigeration products serving Pennsylvania and New York, and Austin quickly became a valuable part of our team. Throughout his time with us, he demonstrated strong organizational skills, attention to detail, and a diligent work ethic, all essential for managing the fast-paced demands of our warehouse. Austin was responsible, dependable, and eager to take on new challenges, often going above and beyond to ensure inventory accuracy and smooth operations. I am confident that he will bring the same dedication and commitment to his studies and future at Alfred State College.
