To Whom It May Concern,

It is with great pleasure that I recommend Taylor Allen for admission to your esteemed institution. I have had the privilege of knowing Taylor for the past three years as her school counselor at Renaissance High School, and I have been consistently impressed by her character, dedication, and commitment to making a positive impact.

Taylor is a student who embodies the spirit of altruism and community engagement. Her dedication to service is evident in her long-standing involvement with BuildOn, where she has demonstrated exceptional leadership qualities. As a student leader, Taylor works tirelessly behind the scenes, ensuring the smooth operation of projects and events. Her commitment to this organization has taken her as far as Nicaragua, where she participated in building a school for the local community. This experience speaks volumes about her willingness to go above and beyond to make a difference in the world.

Beyond BuildOn, Taylor's commitment to service extends to various aspects of our school community. She has been an active participant in the Summer Bridge program for three years, assisting with student social events and fostering a welcoming environment for incoming students. Her involvement in Phoenix Halloween, Homecoming, Pep Rallies, Award Ceremonies, and Band Concerts highlights her dedication to creating a vibrant and inclusive school spirit.

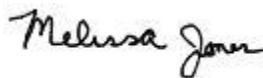

While Taylor's commitment to service is truly commendable, her academic achievements are equally noteworthy, and she has proven that she can maintain a balance between her rigorous schedule and extracurricular activities. Taylor is a determined student who is committed to academic growth. Her goal to raise her GPA during her senior year is a testament to her drive and ambition.

Taylor is a well-rounded individual with a strong work ethic, a passion for service, and a genuine desire to make a positive impact on the world. She is a natural leader who inspires others through her actions and dedication. I am confident that Taylor will thrive in a challenging academic environment and make significant contributions to your college community.

I highly recommend Taylor Allen for admission without reservation. She is an exceptional student and an even more exceptional young person. Please do not hesitate to contact me if you require any further information.

Educationally,

Melissa Jones
