RE: Letter of Recommendation for Jo'Mhara Benning

Thursday, Nov 21, 2024

To Whom It May Concern,

It is with great enthusiasm that I recommend Jo'Mhara Benning for any opportunity she seeks to pursue. As a dedicated and accomplished student, Jo'Mhara exemplifies qualities of leadership, resilience, and service that set her apart as an exceptional candidate.

Jo'Mhara's academic achievements speak for themselves, as evidenced by her 4.0 GPA at Topeka High School and her engagement in the College Prep Academy and the Topeka Center for Advanced Learning and Careers. These rigorous programs have not only honed her intellectual capabilities but have also fostered her commitment to excellence.

Her professional experience as an assistant at Keller Williams Real Estate and as a co-owner of FireHouz Bulliez LLC demonstrates her entrepreneurial spirit and ability to balance multiple responsibilities. She approaches each role with attention to detail, effective communication, and a proactive mindset.

In addition to her academic and professional accomplishments, Jo'Mhara has shown remarkable involvement in extracurricular activities. As a varsity athlete, team captain, and All-State honoree in multiple sports, she has displayed leadership, teamwork, and dedication. Her service on student government and advisory panels further highlights her ability to inspire and advocate for her peers.

Jo'Mhara's volunteer work with organizations like Harvesters and Topeka Public Schools Physical Therapy underscores her passion for making a meaningful impact in her community. Her numerous certifications, including CPR-AED and Stop the Bleed, reflect her commitment to personal growth and readiness to help others.

In summary, Jo'Mhara Benning is a driven, talented, and compassionate individual who possesses the skills and determination to excel in any endeavor she undertakes. I am confident that she will continue to achieve great things and contribute positively to the communities and organizations she is a part of.

I feel honored to present my recommendation for Ms Benning. My name is Smitha Elangikal. I am a Chemistry teacher with the Topeka Public Schools. I have been employed in my capacity as a teacher for 19 years. I joined Topeka high school 14 years ago. I strongly and most emphatically believe Jo'Mhara will represent her family and herself with exemplary dedication and desire for success. I strongly recommend her for acceptance into your academic institution and/or for scholarship consideration.

Sincerely,

Smitha S Elangikal.

Topeka High School.
