

April 30, 2024

Dear Selection Committee:

It is with Highest Honors that I get to recommend Kyleigh Lock for this scholarship. I have had the pleasure of helping and assisting Kyleigh along the way the last few years with a variety of Agriculture activities, projects, and events. During this time, I have witnessed Kyleigh's passion, dedication, and love for Agriculture, FFA, livestock, education and making a positive difference in all of peers and younger students within her chapter and community. She is committed to ensuring that everyone she helps has the tools and knowledge to be successful and make as much of a positive influence on them as she can. Kyleigh's ability to inspire other students and others in her community are a few of many qualities that make her a top candidate for Texas FFA Chapter Awards.

Kyleigh Lock demonstrates strong confidence, communication, responsibility, and leadership skills. She understands the importance of preparing our future to be leaders while promoting the agriculture industry. She is extremely motivated to continue growing her own skills as a leader within Agriculture while maintaining excellent grades and preparing for her future career in Agriculture. Kyleigh goes out of her way to help everyone she meets and even some she doesn't know personally. I know that Kyleigh is going to be successful with all her endeavors and deserves to be at the top of your list of recipients.

Kyleigh Lock's dedication and perseverance to be the best leader and agriculturist she can be for herself and others worthy of being recognized. If you have any questions or if I can assist you in any way, please do not hesitate to contact me at 936-212-3801 or adthompson.2013@gmail.com .

Sincerely,

Adam Thompson
Educator/Former Ag Teacher
