Honorable Selection Committee,

It is with great pleasure that I recommend Lakshya Wahi for admission to your university. I have been teaching Spanish for over 6 years and currently serve as a Spanish teacher at Eastlake High School. I had the opportunity to teach Lakshya in Spanish 3 during his junior year, a course conducted primarily in Spanish and designed to prepare students for Spanish 4 or AP Spanish through rigorous development of reading, writing, listening, and speaking skills.

From the outset, Lakshya distinguished himself not only through his academic aptitude but also through his character, curiosity, and collaborative spirit. Learning a foreign language can be particularly challenging for some students, yet Lakshya demonstrated a natural talent and enthusiasm for language acquisition. I was especially impressed to learn that, despite having already earned 4.0 foreign language credits through a Hindi STAMP test in his freshman year, he chose to continue studying Spanish throughout his sophomore and junior years.

In the classroom, Lakshya consistently elevated the learning environment. During speaking assessments, I often paired him with less confident peers, knowing he would guide the conversation in a way that encouraged their participation and growth. His thoughtful questions and inclusive approach reflected both empathy and leadership.

Lakshya was always attentive, diligent, and committed to producing high-quality work. He maintained excellent attendance and demonstrated responsibility by promptly making up any missed assignments due to extracurricular commitments. His respectful demeanor and integrity were evident throughout the year.

Beyond the classroom, Lakshya pursued a passion project over the summer: he designed an educational game to help students learn how to pronounce large numbers in Spanish. This creative endeavor showcased his ability to merge his interests in video game design and language learning in a meaningful and innovative way. Currently, in his senior year, he is serving as a peer tutor for my Spanish 3 class, further demonstrating his dedication to supporting others.

Lakshya is a thoughtful, kind, and intellectually curious individual who brings integrity and care to everything he undertakes. I am confident he will make valuable contributions both academically and personally to your university community. He is a student I recommend without reservation.

Please feel free to contact me if you have any questions or would like additional information about Lakshya Wahi.

Sincerely,

A handwritten signature in black ink, appearing to read "Patricia Molina", with a stylized, cursive flourish.
