

Soul (2024)

Mechanical Pencil 0.5mm

Inspired by Vangel Naumovski art style, I created an accordion book. The artwork depicts the complex and messy connections of souls.

## Pippin's Bed (2024)

Pine Wood

34 inches (W) 13 inches (D) x 16 inches (H)

Using scraps of 2x4 framing studs, I created a furniture piece and explored woodworking. With limited access to power tools, I focused on achieving smooth edges and surfaces. The cushion on top of the bed features a 3-inch foam core, covered with a leftover pillowcase and various fabric scraps. Instead of using anti-slip fabric, straps were added for easy attachment, allowing the bed to also be used as a coffee table when removed. To protect the floor and enhance stability, I added anti-skid pads underneath the furniture.

Perfect Pair (2024)

Wood

Block Dimension: 1 inches (W) x 1 inches (D) 4 inches (H)

This pair of utensils was carved for my favorite snack: white bread with Nutella. Using tools bought from a local thrift store, I carved a small knife for spreading and a spoon for scraping the jar.

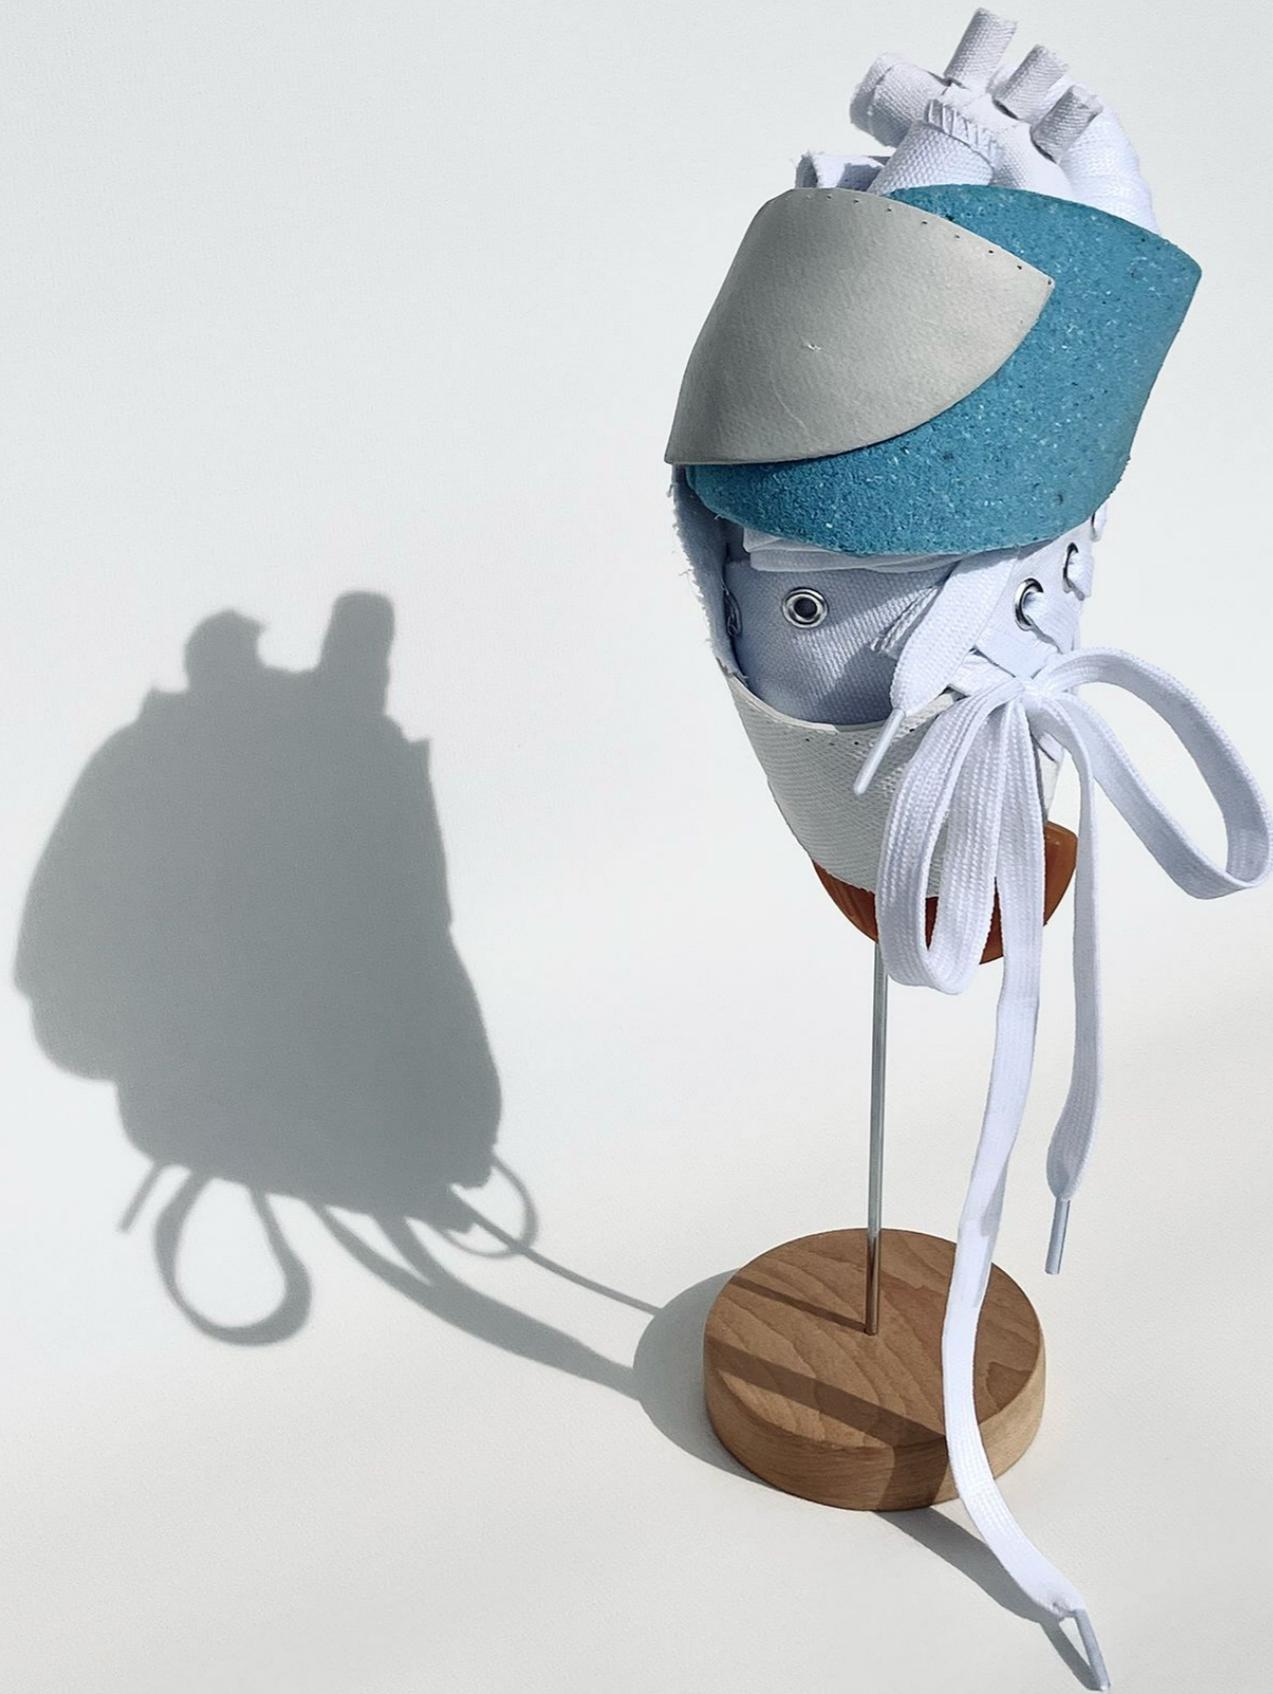

Strata (2024)

Canvas / Macrame Cord / Grommet

10 inches (W) x 3 inches (D) x 12 inches (H)

Crafted with sustainability in mind, this bag combines natural, durable materials with a timeless design. Made from thrifted green canvas, it sets a neutral backdrop that highlights the handwoven macrame elements. The thick straps ensure the bag sits comfortably as a cross-body style.

Unity (2023)

Converse

6 inches (W) x 3 inches (D) x 9 inches (H)

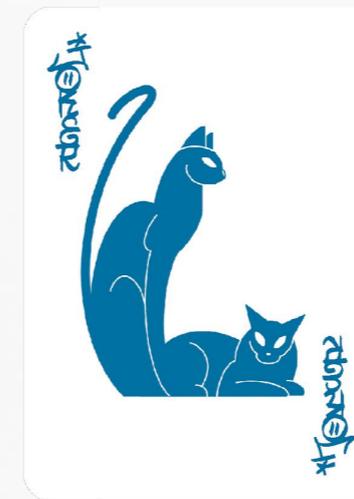

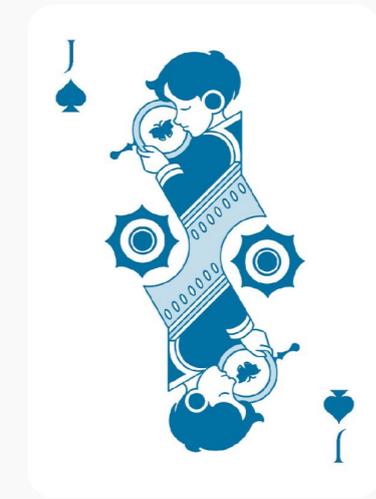

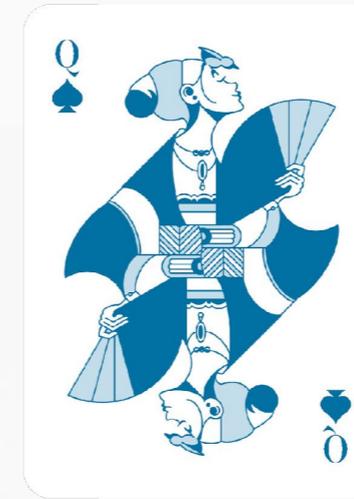

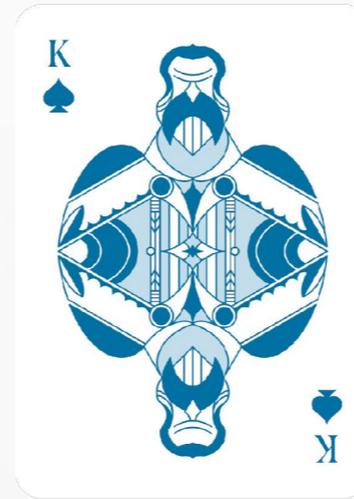

This sculpture was created for the Sneakers and Creams Design Contest hosted by Art Center College of Design. By deconstructing and merging elements of the Converse shoe, the piece represents the resilience and unity of the Black community. Once scattered and now brought together, it symbolizes the beauty of convergence.

Harmony (2023)

Procreate / Adobe Illustrator

Card Dimension: 2.5 inches (W) x 3.5 inches (H)

This set of card designs focuses on the five main face cards: the Ace, Joker, King, Queen, and Jack. The collection aims to promote peace and non-violence, distinguishing itself from traditional playing cards by excluding any imagery of weapons. The designs were created using both Procreate and Adobe Illustrator, and printed on card stock paper.

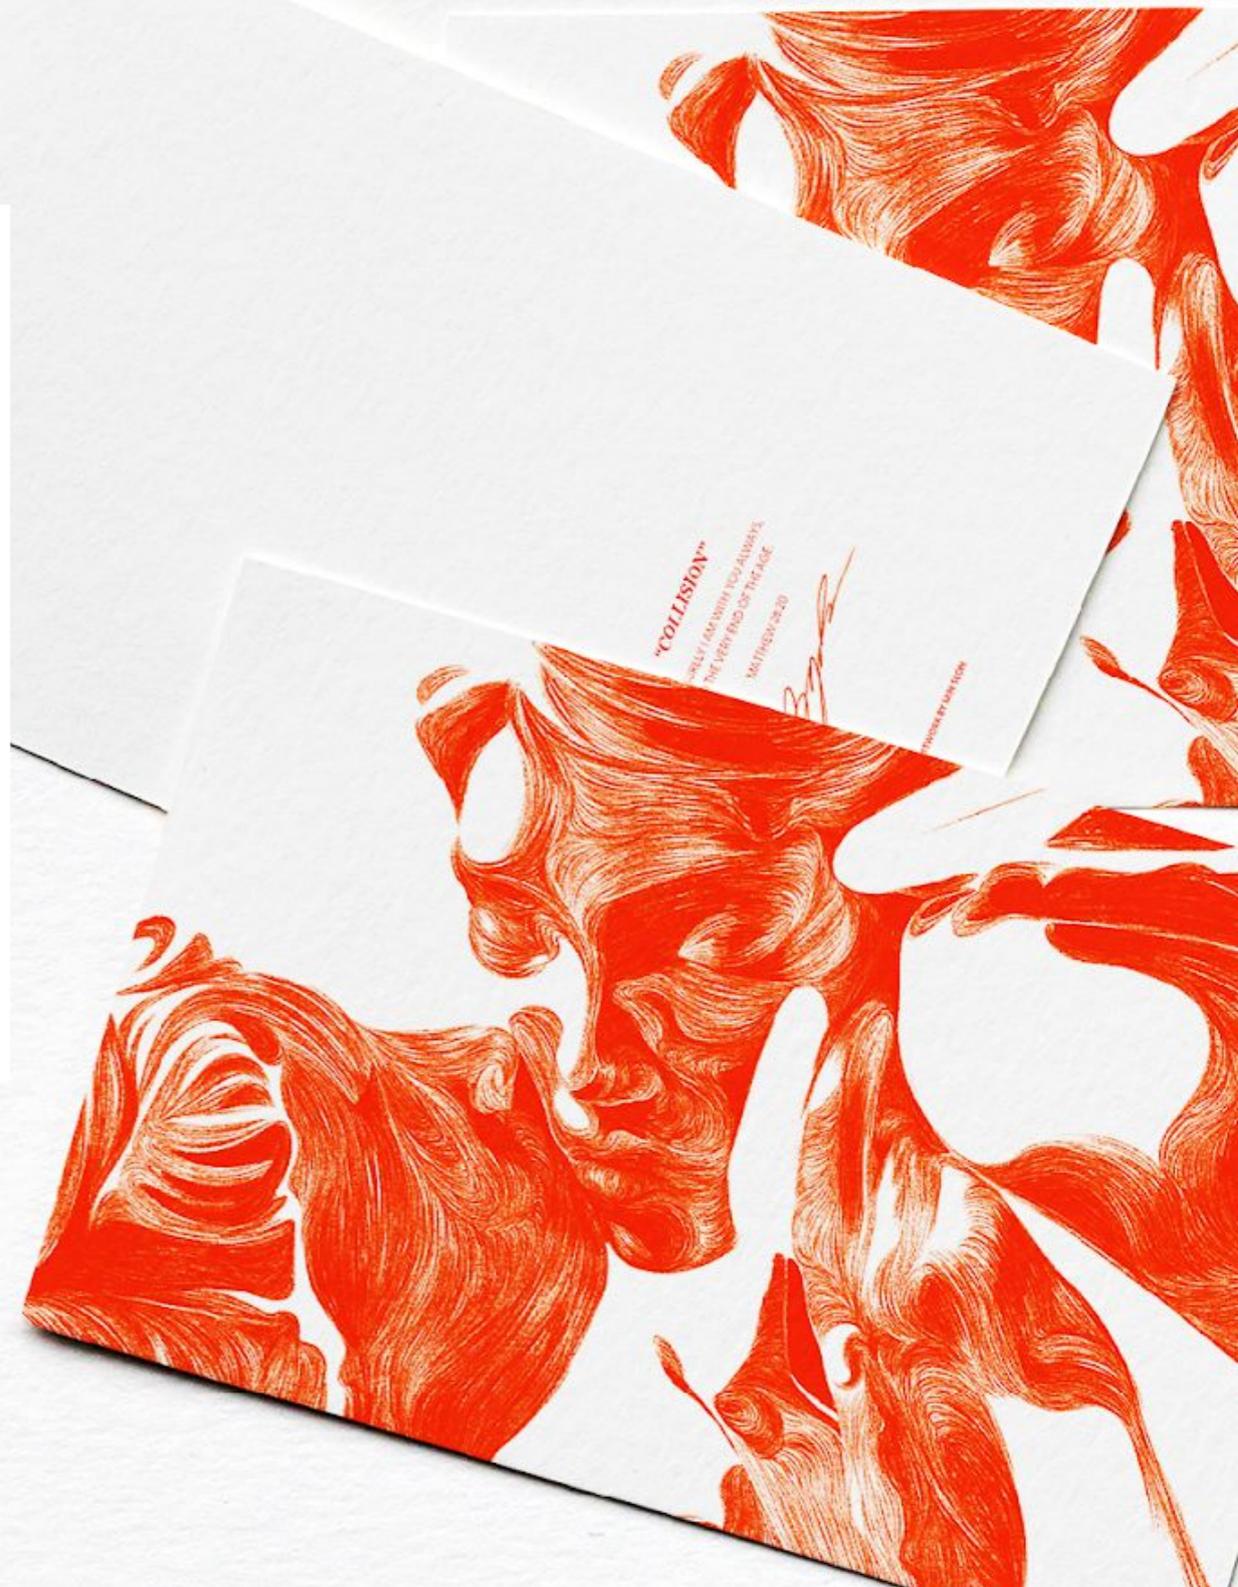

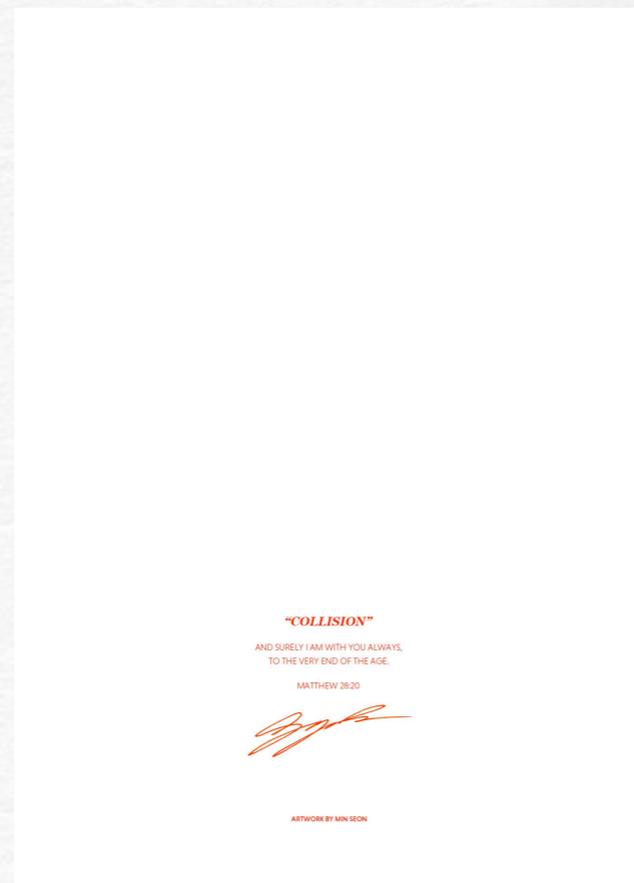

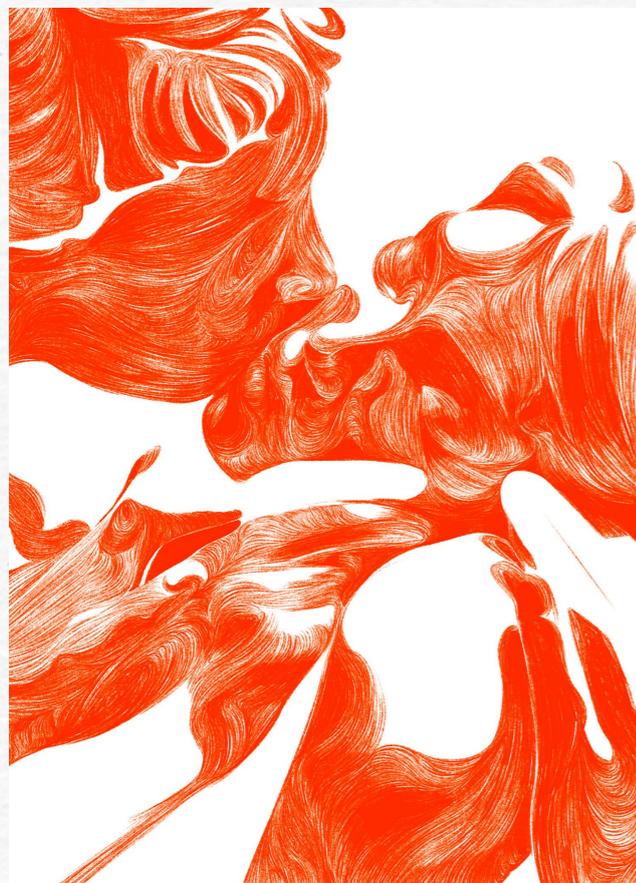

Collision (2022)

Procreate / Adobe InDesign

Postcard Dimension: 5 inches (W) x 7 inches (H)

Using "The Mother-of-Pearl Kiss" by Yves Pires as a reference, this digital illustration depicts the warmth of love while exploring the duality of human emotions, presented in the contrast of light and darkness.

Mayfly (2024)

Mixed Media

3 inches (W) 4 inches (D) x 3 inches (H)

Created using a single pair of sunglasses, a binder clip, and a camera lens adapter, this piece depicts a mayfly, also known as a dayfly. Inspired by the brief life span of the insect, I aimed to convey the message of what it means to be young—embracing fearlessness and spontaneity. The mayfly symbolizes seizing the moment and living fully, reminding us that happiness often comes from the willingness to take risks and remain present.

Sketch 01 (2023)

Mechanical Pencil 0.5mm

6 inches (W) x 9 inches (H)

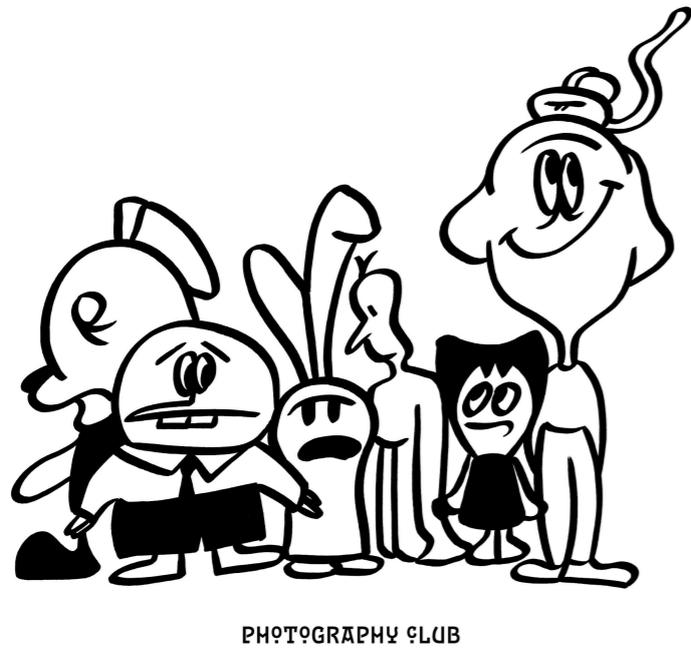

This sketch was created in a physical sketchbook, using reference photos of sculptures.

Sketch 02 (2023)

Conté

This time-based sketch was completed in 10 minutes, using a reference photo projected on the wall. This experience pushed me to prioritize the overall shape instead of fixating on fine details.

Photography Club Design (2024)

Procreate / Adobe Illustrator

As president of the Photography Club, I wanted to create a customized tote bag for our members. The playful creatures in the design represent the fun, welcoming atmosphere of our club. Through fundraisers, each member had the opportunity to screen-print the design onto their own tote bag.

Dreams & Nightmares (2023)

Oil on Canvas

18 inches (W) x 24 inches (H)

This oil painting was exhibited in the “Dreams & Nightmares” exhibition. The theme explores a nightmare disguised as a dream, with the lamb balloon and butterflies symbolizing finite innocence.
