To Whom It May Concern:

I am writing this reference at the request of **Naomi Diaz**, who is applying for college scholarships. I have known Naomi Diaz for a number of years in my capacity as a coach at the Arizona Bobcats Rugby Academy and Tucson Ravens Girls Rugby Team. During this time, I have gotten to know Naomi as a gifted athlete, big sister, mentor to our younger players, and proud daughter of Erika Diaz.

Naomi Diaz has a number of strengths to offer: Naomi is a stand-out athlete, she is a natural leader and hard worker who is willing to learn new techniques for success and apply them both on the field of competition and in real life settings. Naomi applies herself to the fullest in every challenge she takes on. She is active in her community with her involvement with the Engage Foundation, a loyal friend to her teammates and dedicated student.

In conclusion, I would highly recommend Naomi Diaz. If her performance as a student athlete on our club is any indication of how she will perform as a student at College or University, Naomi Diaz will be an extremely positive addition to a long list of successful student athletes. If you would like more information, please don't hesitate to contact me by telephone or by email at pappas.tim@gmail.com anytime.

Sincerely,
