To Whom It May Concern

I am writing a letter of recommendation for Alessia Rojas. Alessia served as one the President of the Student-Athlete Advisory Committee (SAAC) and she is also in charge of all social media marketing for the SAAC program. As the direct oversight of the SAAC program, I have learned a great deal about Alessia and her goals for the future. She is a motivated, energetic, hardworking, and committed individual who strives to be the best version of herself each and every day. Alessia was also a member of the Women's Golf Coaches Association All-Scholar team and from 2021-2025 seasons along with being apart of the Texas A&M University-Kingsville golf association member and historian. As a graduate from Texas A&M University-Kingsville Alessia earned her bachelor's degree in marketing and was an active member of the Javelina Marketing Association.

In conclusion, Alessia was an exemplary student-athlete at Texas A&M University-Kingsville. I would like to recommend Alessia Rojas for the Hulede Collegiate golf scholarship. If you have any further questions regarding my recommendation of Alessia please do not hesitate to reach out.

Sincerely,
