

Since I graduated from Presentation High School in 2021, the staff has dramatically changed and I am no longer as familiar with the administration as previously. As such, I am not able to produce a letter of recommendation from the principal. However, I have maintained my involvement with Presentation since graduation, with my most recent involvement stemming from the PHS 60th Celebration Planning Committee. I was recommended to join this committee by a staff member and through monthly meetings, have been assisting in planning the celebrations for Presentation's 60th anniversary.
