

To Whom It May Concern:

I am pleased to write this letter of recommendation for Nya Cohen, who was a student in both my Spanish II and Spanish III Honors classes. Nya is an exceptional student whose contributions to our school community reflect her outstanding leadership, dedication, and academic excellence. Her involvement in a variety of clubs, sports, and activities, coupled with her earned honors, speaks to her commitment to both personal and academic growth.

Nya has demonstrated remarkable talent and dedication through her participation in several sports, including Indoor Track, Outdoor Track, Girls Soccer, and Town Soccer - Bantam. Her achievements are particularly notable at the national level, where she participated in Nationals for both Indoor and Outdoor Track, securing impressive placements in relay events. Additionally, her contribution to the soccer team, including scoring the first goal of the season in Girls Soccer, showcases her athleticism and team spirit.

Nya's leadership capabilities are equally impressive. She has served as Secretary for the Student Class Council for two consecutive years, illustrating her peers' trust in her abilities. Moreover, she has taken on leadership roles as a Connections Plus leader for freshmen and as Junior Drum Major for the Marching Band Preseason, roles that highlight her ability to inspire and guide others.

Her commitment to service is evident in her involvement with Bantam Soccer, where she not only contributed to team victories but also coached preschoolers and kindergarteners.

Additionally, Nya's participation in the Summer Leadership Institute and her contributions during the Teacher Meeting for the beginning of the school year underscore her dedication to fostering a positive school community.

Nya's work experience and recognition in track and field further reflect her dedication to excellence. She has secured top placements in various competitions, including 1st place in the Indoor 4x200 meter relay, and has consistently performed at a high level in CCC Track and Field events. Furthermore, her work as a soccer referee and her completion of the Drum Major Academy emphasize her diverse skill set and strong work ethic.

In summary, I strongly recommend Nya Cohen for admission to your university. Her leadership, academic achievements, commitment to community service, and athletic accomplishments distinguish her as an exceptional individual who will undoubtedly continue to excel. Please do not hesitate to contact me if you require further information.

Sincerely,
María White
