## Letter of Recommendation

**December 3rd, 2024**

**Dear Admissions Committee,**

I am writing to wholeheartedly recommend Jatasia Donald for admission to your esteemed nursing program. Jatasia was a student in my BI125\_003 lab class, where she demonstrated exceptional academic performance, securing a remarkable 94% in the course.

Throughout the semester, Jatasia consistently displayed a strong aptitude for scientific inquiry and a keen attention to detail. Her ability to grasp complex concepts, analyze data critically, and apply her knowledge to laboratory experiments was truly impressive. These skills are essential in nursing, where precision and problem-solving are crucial for patient care.

Beyond her academic excellence, Jatasia exhibited qualities that make her an ideal candidate for nursing. She is highly dedicated, hardworking, and eager to learn. She approached every lab session with enthusiasm and a genuine desire to understand the material deeply. Her perseverance and positive attitude inspired her peers, creating a collaborative and supportive learning environment.

Moreover, Jatasia's professionalism and interpersonal skills were evident in her interactions with both classmates and instructors. She communicated effectively, asked insightful questions, and consistently showed respect and empathy—traits that are vital for success in the nursing field.

I have no doubt that Jatasia will excel in your nursing program and contribute meaningfully to your community. Her academic abilities, coupled with her dedication and compassionate nature, make her a standout candidate. I am confident she will go on to make a significant impact in the field of nursing.

Please feel free to contact me at [swaliullah@alcorn.edu](mailto:swaliullah@alcorn.edu) if you require any further information or insights regarding Jatasia's qualifications.

**Sincerely,**
