To Whom It May Concern,

I am pleased to write this letter of recommendation on behalf of Nicholas Wythe, who has been a summer employee with Meridian CUSD 223 for the past three years. During this time, I have had the pleasure of working closely with Nicholas and have been continually impressed by his dedication, work ethic, and leadership abilities.

Nicholas is an exceptionally hardworking individual who consistently goes above and beyond in everything he does. He approaches each task with enthusiasm and a genuine desire to complete the task to the best of his ability. Whether working independently or as part of a team, Nicholas is always eager to take on new challenges and demonstrate his initiative. Even when faced with difficult tasks, he handles them with precision and attention to detail. His positive attitude and willingness to get his hands dirty show that he takes pride in his work, no matter the task at hand.

In addition to his strong work ethic, Nicholas is a natural leader. He has proven to be a dependable and supportive team member, often guiding others with patience and understanding. His ability to work collaboratively, ask thoughtful questions, and offer solutions when needed has made him a respected member of our summer work crew. Nicholas's leadership skills, along with his humility and willingness to learn, set him apart as someone who is prepared to contribute meaningfully in any academic or professional setting.

I am confident that Nicholas possesses the qualities necessary to succeed in his future academic endeavors and beyond. His commitment to excellence, combined with his genuine character, makes him an outstanding candidate for any opportunity he chooses to pursue.

Sincerely,

Kenny Lamer

Building and Grounds Director
