

Aloha,

As this was a very recent commitment but still a valid one. I am in contact with my Coach over at CSU Northridge Jeff Hall (808)226-2774 or jeff.hall@csun.edu to send over my paper work but as of today's deadline April 14th, 2026 I am unable to provide anything at this time to meet the scholarship deadline. So if there is any way you can still accept my application without valid paper work it would be very much appreciated as my family and I would greatly appreciate this scholarship opportunity. If there is an email that can be provided I can send over the paperwork as soon as I receive it.

Mahalo,

Shay Beals
