

To the Scholarship Selection Committee:

It is my pleasure to write this letter of recommendation in support of Jadalynn Galan for your scholarship. As a nurse educator at Enterprise High School, I have had the opportunity to observe Jadalynn's dedication, compassion, and determination as she has pursued her goal of becoming a nurse. I can confidently say that she possesses the character, work ethic, and resilience necessary to succeed in nursing and make a meaningful impact in healthcare.

Jadalynn is an exceptional individual whose commitment to serving others is evident in everything she does. She approaches every challenge with perseverance and a positive attitude, even when faced with obstacles. As a first-generation college student from a low-income background, she has had to overcome financial and personal barriers that many students never experience. Rather than allowing these challenges to discourage her, she has used them as motivation to work harder and remain focused on her long-term goals.

What stands out most about Jadalynn is her genuine passion for caring for others. She has expressed a strong desire to specialize in women's health, with the ultimate goal of becoming both a Women's Health Nurse Practitioner and a Certified Nurse-Midwife. Her commitment to providing compassionate, patient-centered care reflects the qualities that every healthcare professional should strive to embody. I have no doubt that she will become a trusted advocate for her patients and a leader within the nursing profession.

Jadalynn is currently enrolled in Chamberlain University's Bachelor of Science in Nursing program and has demonstrated the discipline and determination necessary to complete this rigorous course of study. She understands that becoming an outstanding nurse requires lifelong learning, and she has already set ambitious goals to continue her education beyond her BSN. Her willingness to invest in her future speaks volumes about her dedication to the profession.

Beyond her academic ambitions, Jadalynn is driven by a desire to improve the lives of others. She understands the importance of empathy, respect, and cultural awareness in healthcare and is committed to serving diverse communities with compassion and professionalism. I believe she will positively influence the lives of countless patients throughout her career.

I give Jadalynn my highest recommendation for this scholarship. Financial assistance would not only ease the burden of pursuing her education but would also allow her to focus on developing the knowledge and clinical skills needed to fulfill her calling. I am confident that your investment in her education will result in a healthcare professional who will make a lasting difference in the lives of women, families, and her community.

Thank you for your time and consideration. Please feel free to contact me if additional information is needed.

Sincerely,

Casie Johnson, MSN, Ed.
