Advisory Meeting Minutes from 3/14/26

In Attendance; Elizabeth, Nathaniel, Moira, Abril, Yvonne, Lyrae, Tim M., Lyn, Rob H., Carrie

Update on the last meeting's topics:

1) H4H Partners - the goal is to get more basic information about our Partners. Yvonne shared that we have 30 Partners who pick up H4H bags, and the subcommittee of Yvonne, Lyn and Lourdes are trying to get at least 2 contacts for each group, their mission, who picks up H4H bags, who receives the bags (who they serve) and other basic information. If bags aren't picked up we need to give a reminder by email, the day before. We discussed adding volunteer opportunities with Partners to the H4H sign-ups for bag-packing, set-up and Andre House days. It could be under the heading of "other Opportunities to Serve with Partners".
