To Whom It May Concern:

My name is Manuel Alonso, Pastor of Iglesia de Jesucristo del Evangelio Completo, located at 809 S. Cesar Chavez Avenue in Somerton, AZ.

I am pleased to write this letter of recommendation for Miss Kaylah Felix, who is a member of our church. We have seen her grow as a child and become a young woman who is about to start a new stage in her life. Miss Felix is a very efficient young lady. She has always done an excellent job with a positive attitude and serves with patience and passion in everything she does. She has proven to be a very talented and versatile young woman. She has flourished in various areas such as working within the Mission Kids ministry, where she has been in charge of the multimedia area; as well as creating and managing high-quality audiovisual content. Additionally, she has designed and distributed promotional flyers, produced and edited videos, and collaborated in the decoration of the scenery for various events. Her dedication and skills have been fundamental to the success of our activities.

Miss Felix is an efficient, intelligent, attentive, and social young lady. She is a valuable collaborator who is always willing to help her colleagues and work as a team. As her pastor, I am aware of the goals she has set for herself, and one of them is to academically prepare for the career she knows is her calling. It will be my pleasure to see her achieve her goal, and I am confident that she will. Thank you for your attention. For more Information you may contact me at (928) 627-3311.

Sincerely,

Manuel Alonso
Pastor
